

The Chemours Company CEO Mark Vergnano to Speak at Citi Basic Materials Conference

November 10, 2015

WILMINGTON, Del., Nov. 10, 2015 /PRNewswire/ -- The Chemours Company ("Chemours") (NYSE: CC), a global chemical company with leading market positions in titanium technologies, fluoroproducts and chemical solutions, today announced that Mark Vergnano, president and chief executive officer, will speak at the Citi Basic Materials Conference in New York City on December 1, 2015 at 9:30 a.m.

Mr. Vergnano will be joined by Mr. Mark Newman, senior vice president and chief financial officer, to address questions following the presentation. A live webcast will be available via the Chemours' [Investor Relations website](#)

About The Chemours Company

The Chemours Company (NYSE: CC) helps create a colorful, capable and cleaner world through the power of chemistry. Chemours is a global leader in titanium technologies, fluoroproducts and chemical solutions, providing its customers with solutions in a wide range of industries with market-defining products, application expertise and chemistry-based innovations. Chemours ingredients are found in plastics and coatings, refrigeration and air conditioning, mining and oil refining operations and general industrial manufacturing. Our flagship products include prominent brands such as Teflon™, Ti-Pure™, Krytox™, Viton™, Opteon™ and Nafion™. Chemours has approximately 8,400 employees across 36 manufacturing sites serving more than 5,000 customers in North America, Latin America, Asia-Pacific and Europe. Chemours is headquartered in Wilmington, Delaware and is listed on the NYSE under the symbol CC. For more, information please visit chemours.com or follow Chemours on Twitter at @chemours.

Forward-Looking Statements

This press release contains forward-looking statements, which often may be identified by their use of words like "plans," "expects," "will," "believes," "intends," "estimates," "anticipates" or other words of similar meaning. These forward-looking statements address, among other things, our anticipated future operating and financial performance, business plans and prospects, transformation plans, resolution of environmental liabilities, litigation and other contingencies, plans to increase profitability, our ability to pay or the amount of any dividend, and target leverage that are subject to substantial risks and uncertainties that could cause actual results to differ materially from those expressed or implied by such statements. Forward-looking statements are not guarantees of future performance and are based on certain assumptions and expectations of future events which may not be realized. The matters discussed in these forward-looking statements also are subject to risks, uncertainties and other factors that could cause actual results to differ materially from those projected, anticipated or implied in the forward-looking statements as further described in the "Risk Factors" section of the information statement contained in the registration statement on Form 10 and other filings made by Chemours with the Securities and Exchange Commission. Chemours undertakes no duty to update any forward-looking statements.
