Item 8.01 Other Events.*Offering of 4.625% Senior Notes due 2029*

On August 18, 2021, The Chemours Company (the “Company”) closed the private offering (the “Offering”) of \$650,000,000 aggregate principal amount of the Company’s 4.625% Senior Notes due 2029 (the “Notes”), pursuant to the Purchase Agreement (the “Purchase Agreement”), dated as of August 4, 2021, by and among the Company, the guarantors named therein (the “Guarantors”) and Citigroup Global Markets Inc., as representative of the several initial purchasers named therein. The Notes were issued pursuant to the Indenture, dated as of November 27, 2020 (the “2020 Base Indenture”), between the Company and U.S. Bank National Association, as trustee (the “Trustee”), as supplemented by the Second Supplemental Indenture setting forth the terms of the Notes, dated as of August 18, 2021, among the Company, the guarantors named therein and the Trustee (the “2021 Second Supplemental Indenture” and together with the 2020 Base Indenture, the “Indenture”). The aggregate net proceeds from the Offering, \$643,500,000, are expected to be used, together with cash on hand, to repurchase or redeem, as applicable, all of the Company’s outstanding 7.000% Senior Notes due 2025 (the “2025 Notes”).

The Notes were offered in the United States to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), outside the United States pursuant to Regulation S under the Securities Act and to institutional accredited investors (as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act) in reliance on a private placement exemption from registration under Section 4(a)(2) and/or Rule 506 of Regulation D of the Securities Act. The Notes have not been and will not be registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements or a transaction not subject to the registration requirements of the Securities Act or any state securities laws.

The Company will pay interest on the Notes, semi-annually in arrears on May 15 and November 15 of each year, beginning on November 15, 2021. The Notes will mature on November 15, 2029.

The Company may redeem the Notes, in whole or in part, from time to time at its option, prior to November 15, 2024, at redemption prices equal to 100% of the aggregate principal amount of the Notes to be redeemed, plus the applicable “make-whole” premium and accrued and unpaid interest, if any, to, but excluding, the redemption date. Also, at any time prior to November 15, 2024, the Company may redeem up to 35% of the aggregate principal amount of the Notes with the net cash proceeds from certain equity offerings at a price equal to 104.625% of the principal amount of such Notes, plus accrued and unpaid interest, if any, to, but excluding, the redemption date. On or after November 15, 2024, the Company may redeem the Notes, in whole or in part, from time to time at its option, at the redemption prices set forth in the 2021 Second Supplemental Indenture, plus accrued and unpaid interest, if any, to, but excluding, the redemption date. In the event of the occurrence of both (1) a Change of Control (as defined in the Indenture) and (2) a related lowering of the rating of the Notes by either of the Ratings Agencies (as defined in the 2021 Second Supplemental Indenture) within a specified period, unless the Company has previously exercised its optional redemption right with respect to the Notes in whole, the Company will be required to offer to repurchase the Notes from the holders at a price in cash equal to 101% of the then outstanding principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase.

The Indenture includes certain covenants, including limitations on the Company's ability to create certain liens on its assets or consolidate, merge or sell all or substantially all of its assets, subject to a number of important exceptions as specified in the Indenture. The Notes are unsecured and unsubordinated obligations of the Company and rank equally with all of the Company's existing and future unsecured and unsubordinated indebtedness outstanding from time to time. The Indenture contains customary event of default provisions.

2025 Notes Amendments

On August 18, 2021, the Company, the Guarantors and the Trustee entered into the Sixth Supplemental Indenture (the "Sixth Supplemental Indenture") to the base indenture, dated as of May 12, 2015 (the "2015 Base Indenture"), among the Company, the guarantors party thereto, the Trustee, Elavon Financial Services DAC, UK Branch (formerly known as Elavon Financial Services Limited, UK Branch), as the Paying Agent and Elavon Financial Services DAC (formerly known as Elavon Financial Services Limited), as the Registrar and Transfer Agent. The Sixth Supplemental Indenture effects certain amendments (the "2025 Notes Amendments") to the 2015 Base Indenture, as supplemented by the Second Supplemental Indenture (the "Second Supplemental Indenture"), dated as of May 12, 2015, among the Company, the guarantors party thereto and the Trustee, setting forth the terms of the 2025 Notes. Holders representing a majority of the aggregate principal amount of the 2025 Notes outstanding (excluding any 2025 Notes owned by the Company or any Guarantor or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Guarantor) consented to the 2025 Notes Amendments.

The 2025 Notes Amendments amend the 2015 Base Indenture, as supplemented by the Second Supplemental Indenture, to shorten the minimum notice period: (i) for any optional redemption of the 2025 Notes by the Company on or after May 15, 2020, from at least 30 days but not more than 60 days to at least two business days but not more than 60 days; and (ii) for any optional redemption of the 2025 Notes by the Company at any time, following a tender offer for all of the outstanding 2025 Notes at a price of at least 100% of the principal amount of the 2025 Notes tendered and where at least 90% in aggregate principal amount of the outstanding 2025 Notes have tendered, from at least 30 days but not more than 60 days to at least one business day but not more than 60 days.

The foregoing descriptions of the 2020 Base Indenture, the 2021 Second Supplemental Indenture, the form of Notes, the 2015 Base Indenture, the Second Supplemental Indenture and the Sixth Supplemental Indenture do not purport to be complete and are qualified in their entirety by reference to the full text of these documents, which are filed as Exhibits 4.1, 4.2, 4.3, 4.4 and 4.5 respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

On August 17, 2021, the Company issued a press release announcing the early tender results of the previously announced tender offer and consent solicitation and receipt of the requisite consents to approve the 2025 Notes Amendments, a copy of which is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference. On August 18, 2021 the Company issued a press release announcing the completion of the Offering, a copy of which is attached as Exhibit 99.2 to this Current Report on Form 8-K and is incorporated herein by reference.

SECOND SUPPLEMENTAL INDENTURE

SECOND SUPPLEMENTAL INDENTURE, dated as of August 18, 2021 (this "Second Supplemental Indenture"), among THE CHEMOURS COMPANY, a Delaware corporation (the "Company"), each of the Subsidiary Guarantors party hereto or that becomes a Subsidiary Guarantor pursuant to the terms of this Second Supplemental Indenture and U.S. Bank National Association, as trustee (the "Trustee"), under an Indenture dated as of November 27, 2020, between the Company and the Trustee (the "Base Indenture" and, together with the Second Supplemental Indenture, the "Indenture"). All capitalized terms used in this Second Supplemental Indenture and not otherwise defined herein have the meanings given such terms in the Base Indenture.

WHEREAS, the Company desires to establish, under the terms of the Base Indenture, a series of its Securities (such securities being of the type referred to in the Base Indenture and in this Second Supplemental Indenture as the "Securities") to be known as its 4.625% Senior Notes due 2029 (the "Notes"), the form and substance of such Notes and the terms, provisions and conditions thereof, to be set forth as provided in the Base Indenture and in this Second Supplemental Indenture;

WHEREAS, this Second Supplemental Indenture is being entered into pursuant to the provisions of Article 10 of the Base Indenture to establish the terms of the Notes in accordance with Section 2.03 of the Base Indenture, to add the Subsidiary Guarantors as obligors and to issue the Notes in accordance with Section 2.01 of the Base Indenture;

WHEREAS, the Company has requested that the Trustee execute and deliver this Second Supplemental Indenture; and

WHEREAS, all requirements necessary to make this Second Supplemental Indenture a valid instrument in accordance with its terms and to make the Notes, when executed by the Company and authenticated and delivered by the Trustee, the valid obligations of the Company, have been performed, and the execution and delivery of this Second Supplemental Indenture have been duly authorized in all respects.

NOW THEREFORE, in consideration of the purchase and acceptance of the Notes by the Holders (as defined below) thereof, and for the purpose of setting forth, as provided in the Base Indenture, the form and substance of the Notes and the terms, provisions and conditions thereof, the Company covenants and agrees with the Trustee as follows:

ARTICLE 1

DEFINITIONS

SECTION 1.1 Definition of Terms.

(a) Capitalized terms used but not defined in this Second Supplemental Indenture shall have the meanings ascribed to them in the Base Indenture.

(b) For purposes of this Second Supplemental Indenture, the following terms have the meanings given to them in this Section 1.1(b):

“Additional Notes” has the meaning set forth in Section 2.1(b).

“Applicable Premium” means, as calculated by the Company with respect to any Note on any redemption date, the greater of:

(1) 1.0% of the principal amount of such Note; and

(2) the excess, if any, of (a) the present value at such redemption date of the redemption price of such Note at November 15, 2024 (such redemption price being set forth in the table appearing in Section 2.6(a)), plus all required interest payments due on such Note through November 15, 2024 (excluding accrued and unpaid interest thereon to, but excluding, the redemption date), computed using a discount rate equal to the Treasury Rate as of such redemption date plus 50 basis points; over (b) the principal amount of such Note.

“Applicable Procedures” means, with respect to any transfer, redemption or exchange of or for beneficial interests in any Global Note, the rules and procedures of the Depository that apply to such transfer, redemption or exchange.

“Attributable Debt” means, with respect to any Sale/Leaseback Transaction, the present value (discounted at the interest rate implicit in the lease involved in such Sale/Leaseback Transaction) of the total obligations of the lessee for rental payments during the remaining term of the lease included in such Sale/Leaseback Transaction (including any period for which such lease has been extended). In the case of any lease that is terminable by the lessee upon payment of a penalty, the Attributable Debt shall be the lesser of: (1) the Attributable Debt determined assuming termination upon the first date such lease may be terminated (in which case the Attributable Debt shall also include the amount of the penalty, but no rent shall be considered as required to be paid under such lease subsequent to the first date upon which it may be so terminated); and (2) the Attributable Debt determined assuming no such termination.

“Bankruptcy Law” means Title 11, U.S. Code or any similar federal or state law for the relief of debtors, or the law of any other jurisdiction relating to bankruptcy, insolvency, winding up, liquidation, reorganization or relief of debtors.

“Capital Lease Obligations” of any Person means the obligations of such Person to pay rent or other amounts under any lease of (or other arrangement conveying the right to use other than operating leases) real or personal property, or a combination thereof, which obligations are required to be classified and accounted for as capital or finance leases on a balance sheet of such Person under GAAP, and the amount of such obligations shall be the capitalized amount thereof determined in accordance with GAAP. For purposes of Section 4.1, a Capital Lease Obligation shall be deemed to be secured by a Lien on the property being leased and such property shall be deemed to be owned by the lessee. Notwithstanding any changes in GAAP after the Issue Date, any lease of such Person at the time of its incurrence of such lease that would be characterized as an operating lease under GAAP in effect on the Issue Date (whether such lease is entered into before or after the Issue Date) shall not constitute a Capital Lease Obligation of such Person under the Indenture as a result of such changes in GAAP.

“CFC” means (a) a Person that is a “controlled foreign corporation” for purposes of the Code and (b) each Subsidiary of any such Person.

“Change of Control” means the occurrence of any one of the following: (1) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole, to any Person (including any “person” (as that term is used in Section 13(d)(3) of the Exchange Act)), other than to the Company or one of its Subsidiaries; (2) the Company becomes aware (by way of a report or any other filing pursuant to Section 13(d) of the Exchange Act, proxy, vote, written notice or otherwise) of the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any Person (including any “person” (as that term is used in Section 13(d)(3) of the Exchange Act)) becomes the “beneficial owner” (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the outstanding Voting Stock of the Company, measured by voting power rather than number of shares; or (3) the adoption of a plan relating to the liquidation or dissolution of the Company.

“Change of Control Repurchase Event” means the occurrence of both a Change of Control and a Rating Event.

“Consolidated Depreciation and Amortization Expense” means, with respect to any Person for any period, the total amount of depreciation and amortization expense and capitalized fees related to any Qualified Securitization Transaction or a receivables facility and amortization of intangible assets, debt issuance costs, commissions, fees and expenses, including the amortization of deferred financing fees of such Person and its Restricted Subsidiaries for such period on a consolidated basis and otherwise determined in accordance with GAAP (excluding, in each case, amortization expense attributable to a prepaid cash item that was paid in a prior period).

“Consolidated Interest Expense” means, with respect to any Person for any period, without duplication, the sum of:

(1) consolidated interest expense of such Person and its Restricted Subsidiaries for such period, to the extent such expense was deducted (and not added back) in computing Consolidated Net Income (including (a) amortization of original issue discount resulting from the issuance of Indebtedness at less than par, (b) all commissions, discounts and other fees and charges owed with respect to letters of credit or bankers’ acceptances, (c) non-cash interest payments (but excluding any non-cash interest expense attributable to the movement in the mark to market valuation of Hedging Obligations or other derivative instruments pursuant to GAAP), (d) the interest component of Capital Lease Obligations and (e) net payments, if any, made (less net payments, if any, received) pursuant to interest rate Hedging Obligations with respect to Indebtedness but excluding (i) penalties and interest relating to taxes; (ii) accretion or accrual of discounted liabilities not constituting Indebtedness, (iii) any expense resulting from the discounting of any outstanding Indebtedness in connection with the application of purchase accounting in connection with any acquisition, (iv) amortization of deferred financing fees, debt issuance costs, commissions, fees and expenses, (v) any expensing of bridge,

commitment and other financing fees and (vi) commissions, discounts, yield and other fees and charges (including any interest expense) related to any Qualified Securitization Transaction or receivables facility); plus

- (2) consolidated capitalized interest of such Person and its Restricted Subsidiaries for such period, whether paid or accrued; less
- (3) interest income for such period.

For purposes of this definition, interest on a Capital Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by such Person to be the rate of interest implicit in such Capital Lease Obligation in accordance with GAAP.

“Consolidated Net Income” means, with respect to any Person for any period, the aggregate of the Net Income of such Person and its Restricted Subsidiaries for such period, on a consolidated basis, and otherwise determined in accordance with GAAP; provided, however, that, without duplication,

(1) the cumulative effect of a change in accounting principles and changes as a result of the adoption or modification of accounting policies during such period shall be excluded;

(2) any after-tax effect of income (loss) from abandoned or discontinued operations and any net after-tax gains or losses on disposal of abandoned or discontinued operations shall be excluded;

(3) any net after-tax gains or losses (less all fees and expenses relating thereto) attributable to asset dispositions or the sale or other disposition of any Capital Stock of any Person other than in the ordinary course of business, as determined in good faith by the Company, shall be excluded;

(4) the Net Income for such period of any Person that is not a Subsidiary or is an Unrestricted Subsidiary or that is accounted for by the equity method of accounting shall be excluded; provided that Consolidated Net Income of the Company will be increased by the amount of dividends or distributions or other payments that are actually paid in cash (or to the extent converted into cash) or cash equivalents to the referent Person or a Restricted Subsidiary thereof in respect of such period (other than any such proceeds that are used to make an Investment by the Company or any Restricted Subsidiary in a joint venture to the extent funded with the proceeds of a cash dividend or other cash distribution made by such joint venture);

(5) [Reserved];

(6) any after-tax effect of income (loss) from the early extinguishment of Indebtedness or Hedging Obligations or other derivative instruments shall be excluded;

(7) any impairment charge or asset write-off or write-down, including impairment charges or asset write-offs or write-downs related to intangible assets,

physical assets (including commodities and inventory), long-lived assets or investments in debt and equity securities or as a result of a change in law or regulation, in each case, pursuant to GAAP and the amortization of intangibles arising pursuant to GAAP shall be excluded;

(8) any non-cash compensation or similar charge or expense or reduction of revenue, including any such charge or amount arising from grants of stock appreciation or similar rights, stock options, restricted stock or other rights and any cash charges associated with the rollover, acceleration or payout of Equity Interests by management, other employees or business partners of the Company or any of its direct or indirect parent companies or subsidiaries shall be excluded;

(9) any acquisition, disposition, recapitalization, Investment, asset sale, issuance, repayment or amendment of Indebtedness, issuance of Equity Interests, refinancing transaction or amendment or modification of any debt instrument (in each case, including any such transaction consummated prior to the Issue Date and any such transaction undertaken but not completed), any non-cash expenses or charges recorded in accordance with GAAP relating to currency valuation of foreign denominated debt and any charges or non-recurring merger costs incurred during such period as a result of any such transaction including, without limitation, any non-cash expenses or charges recorded in accordance with GAAP relating to equity interests issued to non-employees in exchange for services provided in connection with any acquisition or business arrangement (in each case, including any such transaction consummated prior to the Issue Date and any such transaction undertaken but not completed) shall be excluded;

(10) all extraordinary, unusual or non-recurring charges, gains and losses (whether cash or non-cash) (including, without limitation, all restructuring costs, facilities relocation costs, acquisition integration costs and fees, including cash severance payments made in connection with acquisitions, and any expense or charge related to the repurchase of Capital Stock or warrants or options to purchase Capital Stock), and the related tax effects according to GAAP shall be excluded;

(11) inventory purchase accounting adjustments and amortization and impairment charges resulting from other purchase accounting adjustments in connection with acquisition transactions shall be excluded; and

(12) the following items shall be excluded:

(a) any net unrealized gain or loss (after any offset) resulting in such period from Hedging Obligations and the application of ASC 815 Derivatives and Hedging; and

(b) foreign currency and other non-operating gain or loss and foreign currency gain (loss) included in other operating expenses including any net unrealized gain or loss (after any offset) resulting in such period from currency translation gains or losses related to currency remeasurements of Indebtedness (including any net loss or gain resulting from hedge agreements for currency exchange risk).

“**Consolidated Net Secured Leverage Ratio**” means, as of the date of determination, the ratio of (a) the Secured Indebtedness of the Company and its Restricted Subsidiaries as of such date of determination less unrestricted cash and cash equivalents of the Company and its Restricted Subsidiaries as of such date of determination (in each case, determined after giving pro forma effect to such incurrence of Indebtedness, and each other incurrence, assumption, guarantee, redemption, retirement and extinguishment of Indebtedness as of such date of determination; provided that the cash proceeds of any proposed incurrence of Indebtedness shall not be included in unrestricted cash and cash equivalents for purposes of this definition) to (b) EBITDA of the Company and its Restricted Subsidiaries for the most recent four fiscal quarter period ending immediately prior to such determination date for which internal financial statements are available.

In the event that the Company or any Restricted Subsidiary incurs, assumes, guarantees, redeems, retires or extinguishes any Indebtedness (other than Indebtedness incurred under any revolving credit facility unless such Indebtedness has been permanently repaid and has not been replaced) or issues or redeems Disqualified Stock or preferred stock subsequent to the commencement of the period for which the Consolidated Net Secured Leverage Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Consolidated Net Secured Leverage Ratio is made, then the Consolidated Net Secured Leverage Ratio shall be calculated giving pro forma effect to such incurrence, assumption, guarantee, redemption, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or preferred stock, as if the same had occurred at the beginning of the applicable four-quarter period.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, consolidations and disposed operations (as determined in accordance with GAAP) that have been made by the Company or any of its Restricted Subsidiaries during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated Net Secured Leverage Ratio calculation date shall be calculated on a pro forma basis, assuming that all such Investments, acquisitions, dispositions, mergers, consolidations and disposed operations (and the change in any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Company or any of its Restricted Subsidiaries shall have made any Investment, acquisition, disposition, merger, consolidation or disposed operation that would have required adjustment pursuant to this definition, then the Consolidated Net Secured Leverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, merger, consolidation or disposed operation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to an Investment, acquisition, disposition, merger, consolidation, disposed operation or any other transaction, the pro forma calculations shall be made in good faith by a responsible financial or

accounting officer of the Company (and may include, for the avoidance of doubt and without duplication, cost savings and operating expense reduction resulting from such Investment, acquisition, disposition, merger, consolidation, disposed operation or other transaction, in each case calculated in the manner described in the definition of “EBITDA” herein). If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Consolidated Net Secured Leverage Ratio calculation date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Capital Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Company to be the rate of interest implicit in such Capital Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period except as set forth in the first paragraph of this definition. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a Eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Company may designate.

Any such Additional Notes, together with the Initial Notes, will constitute a single series of Securities under the Indenture; provided that if such Additional Notes are not fungible for United States federal income tax purposes, such Additional Notes will have a separate CUSIP number.

SECTION 2.2 Maturity.

The Maturity Date for the Notes is November 15, 2029.

SECTION 2.3 Form of Notes; Global Form.

(a) The Notes and the Trustee's certificate of authentication to be endorsed thereon shall be substantially in the form attached as Exhibit A hereto. The terms and provisions contained in the form of Notes set forth in Exhibit A shall constitute, and are hereby expressly made, a part of the Base Indenture as supplemented by this Second Supplemental Indenture. Provisions relating to the Notes are set forth in the Rule 144A/Regulation S Appendix hereto (the "Appendix"), which is hereby incorporated in and expressly made part of this Second Supplemental Indenture.

Upon the exchange of the Global Note for such Notes in definitive registered form without coupons, in authorized denominations, the Global Note shall be canceled by the Trustee. Such Notes in definitive registered form issued in exchange for the Global Note shall be registered in such names and in such authorized denominations as the Depositary, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. (a) Each Note shall bear interest at the rate of 4.625% per annum (the “Coupon Rate”) from August 18, 2021 until the principal thereof becomes due and payable, and on any overdue principal and (to the extent that payment of such interest is enforceable under applicable law) on any overdue installment of interest at the Coupon Rate, compounded semi-annually, payable semi-annually in arrears on May 15 and November 15 of each year (each, an “Interest Payment Date”), beginning on November 15, 2021, to the Person in whose name such Note or any predecessor Note is registered at the close of business on the regular record date for such interest installment, whether or not a business day. The regular record dates shall be the May 1 and November 1 prior to the regular Interest Payment Date.

(b) The amount of interest payable for any period shall be computed on the basis of a 360-day year of twelve 30-day months. Except as provided in the following sentence, the amount of interest payable for any period shorter than a full semi-annual period for which interest is computed shall be computed on the basis of the actual number of days elapsed in such a 30-day period. In the event that any date on which interest is payable on the Notes is not a business day, then payment of interest payable on such date shall be made on the next succeeding day which is a business day (and without any interest or other payment in respect of any such delay).

SECTION 2.6 Redemption.

(a) The Notes are redeemable at the option of the Company, subject to the terms and conditions of Article 3 of the Base Indenture, in whole or in part, at any time and from time to time (x) prior to November 15, 2024, at a redemption price equal to 100% of the principal amount of the Notes redeemed *plus* the Applicable Premium as of, and accrued and unpaid interest thereon to, but excluding, the redemption date (subject to the rights of holders of such Notes to be redeemed on the relevant record date to receive interest due on an interest payment date that is on or prior to such redemption date) or (y) on and after November 15, 2024, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, *plus* accrued and unpaid interest thereon to, but excluding, the redemption date (subject to the rights of holders of such Notes to be redeemed on the relevant record date to receive interest due on an interest payment date that is on or prior to such redemption date), if redeemed beginning on November 15 of the years indicated below:

<u>Date</u>	<u>Percentage</u>
2024	102.313%

In addition, prior to November 15, 2024, the Company may, at its option, on one or more occasions, redeem up to 35% of the aggregate principal amount of Notes originally issued under the Indenture (calculated after giving effect to any issuance of Additional Notes) at a redemption price equal to 104.625% of the aggregate principal amount of such Notes to be redeemed, plus accrued and unpaid interest thereon, to, but excluding, the redemption date (subject to the rights of holders of such Notes to be redeemed on the relevant record date to receive interest due on an interest payment date that is on or prior to such redemption date), with the net cash proceeds of one or more Equity Offerings; provided that at least 65% of the aggregate principal amount of the Notes originally issued under this Second Supplemental Indenture (calculated after giving effect to any issuance of Additional Notes) remains outstanding immediately after the occurrence of each such redemption; provided further that each such redemption occurs within 90 days of the date of closing of each such Equity Offering.

In connection with any tender offer for all of the outstanding Notes at a price of at least 100% of the principal amount of the Notes tendered, *plus* accrued and unpaid interest thereon to, but excluding, the applicable tender settlement date (including any Change of Control Offer), if holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Company, or any third party making such a tender offer in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such holders, the Company or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, by first class mail to each holder of Notes, or by electronic delivery, given not more than 30 days following such purchase date, to redeem all Notes that remain outstanding following such purchase at a price equal to the price offered to each other holder in such tender offer plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to, but excluding, the redemption date.

(b) Notes with a principal amount of \$2,000 or less will be redeemed in whole and not in part. Notice of any redemption shall be given at least 10 days but not more than 60 days before the redemption date to each Holder of the Notes to be redeemed. Unless the Company defaults in payment of the redemption price, on and after the redemption date, interest shall cease to accrue on the Notes or portions thereof called for redemption. If less than all of the Notes are to be redeemed, the Notes shall be selected by the Trustee on a *pro rata* basis or by lot to the extent practicable subject to its customary procedures or the applicable procedures of the Depository, as the Trustee in its sole discretion deems to be fair and appropriate.

(c) Prior to giving any notice of redemption in connection with a redemption pursuant to Section 2.6(a), the Company will deliver to the Trustee an Officer's Certificate signed by the Chief Financial Officer or a Senior Vice President of the Company stating that the Company is entitled to redeem the Notes and that the conditions precedent to redemption have occurred.

(d) Any notice of redemption may be given prior to the completion of any event or transaction related to such redemption, including any offering or other corporate transaction, and any such redemption or notice may be subject to one or more conditions precedent, including the completion of the related offering or corporate transaction. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice will state that the redemption date may be delayed until such time as any or all of such conditions have been satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions have not been satisfied by the redemption date, or by the redemption date so delayed.

SECTION 2.7 Offer to Purchase.

(a) Upon the occurrence of a Change of Control Repurchase Event, unless the Company has exercised its right to redeem the Notes under Section 2.6(a), each Note holder will have the right to require the Company to purchase all or a portion of such holder's Notes pursuant to Section 2.7(b) (the "Change of Control Offer"), at a purchase price equal to 101% of the principal amount of the holder's Notes plus accrued and unpaid interest, if any, to, but excluding, the date of purchase, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

(b) Within 30 days following the date upon which the Change of Control Repurchase Event occurred, or at the Company's option, prior to any Change of Control but after the public announcement of the pending Change of Control, the Company will be required to send a notice, by first class mail to each Note holder, or by electronic delivery in the case of a Global Note, with a copy to the Trustee, which notice will govern the terms of the Change of Control Offer. Such notice will state, among other things, the purchase date, which must be no earlier than 10 days nor later than 60 days from the date such notice is mailed, other than as may be required by law (the "Change of Control Payment Date"). The notice, if delivered prior to the date of consummation of the Change of Control, will state that the Change of Control Offer is conditioned on the Change of Control Repurchase Event occurring on or prior to the Change of Control Payment Date. Holders of Notes electing to have Notes purchased pursuant to a Change of Control Offer will be required to surrender their Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, to the Paying Agent at the address specified in the notice, or transfer their Notes to the Paying Agent by book-entry transfer pursuant to the Applicable Procedures, prior to the close of business on the third business day prior to the Change of Control Payment Date.

(c) The Company will not be required to make a Change of Control Offer if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for such an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer.

(d) If holders of not less than 90% in aggregate principal amount of the outstanding Notes tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any third party making a Change of Control Offer in lieu of the Company pursuant to Section 2.7(c), purchases all of the Notes validly tendered and not withdrawn by such holders, the Company or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to, but excluding, the date of redemption.

(e) The Company will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes as a result of a Change of Control Repurchase Event. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 2.7, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 2.7 by virtue of its compliance with such securities laws or regulations.

(f) The provisions of this Section 2.7 relating to the Company's obligation to make an offer to repurchase the Notes as a result of a Change of Control Repurchase Event may be waived or modified with the written consent of the holders of a majority in principal amount of the Notes then Outstanding.

(g) On the Change of Control Repurchase Event payment date, the Company shall, to the extent lawful:

(i) accept for payment all Notes or portions of Notes (in a minimum principal amount of \$2,000 and integral multiples of \$1,000 in excess thereof) properly tendered and not withdrawn pursuant to the Company's offer;

(ii) deposit with the Paying Agent an amount equal to the aggregate purchase price in respect of all Notes or portions of Notes properly tendered and not withdrawn; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted, together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

The Paying Agent will promptly mail to each Holder of Notes properly tendered and not withdrawn the purchase price for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of any such Notes surrendered; provided that each new Note will be in a minimum principal amount of \$2,000 and integral multiples of \$1,000 in excess thereof.

SECTION 2.8 Ranking.

The Notes and the Subsidiary Guarantees shall be unsecured and will rank *pari passu* in right of payment with all of the existing and future unsecured unsubordinated obligations of the Company and the Subsidiary Guarantors, as the case may be.

SECTION 2.9 Registrar and Paying Agent.

The Company hereby appoints U.S. Bank National Association as registrar and paying agent with respect to the Notes. The Company may appoint and change any paying agent or registrar without notice to the Holders. The Company or any of its Subsidiaries may act as paying agent or registrar.

ARTICLE 3

SUBSIDIARY GUARANTEES

SECTION 3.1 Subsidiary Guarantee.

(a) Each Subsidiary Guarantor hereby jointly and severally, irrevocably and unconditionally guarantees (collectively, the "Subsidiary Guarantees"), as a primary obligor and not merely as a surety, to each Holder and the Trustee and their successors and assigns (i) the full and punctual payment when due, whether at maturity, by acceleration or otherwise, of all obligations of the Company under the Indenture (including obligations to the Trustee acting in any capacity under the Indenture) and the Notes, whether for payment of principal of, premium, if any, or interest on the Notes and all other monetary obligations of the Company under the Indenture and the Notes and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Company whether for fees, expenses, indemnification or otherwise under the Indenture and the Notes, on the terms set forth in the Indenture by executing the Indenture (all the foregoing being hereinafter collectively called the "Guaranteed

Obligations”). Each Subsidiary Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Subsidiary Guarantor, and that such Subsidiary Guarantor shall remain bound under this Article 3 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Subsidiary Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Subsidiary Guarantor waives notice of any Default under the Notes or the Guaranteed Obligations.

(c) Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

(d) Except as expressly set forth in Section 3.2, the obligations of each Subsidiary Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise.

(e) Subject to Sections 3.2 and 3.3, each Subsidiary Guarantor agrees that its Subsidiary Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment of, or any part thereof, principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Company or any of its Subsidiaries or otherwise.

(f) In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Subsidiary Guarantor by virtue hereof, upon the failure of the Company to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Subsidiary Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Company to the Trustee.

(g) Each Subsidiary Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Trustee in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Subsidiary Guarantor further agrees that, as between it, on the one hand, and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Section 5.1 hereof and Article 6 of the Base Indenture for the purposes of any Subsidiary Guarantee herein,

notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Section 5.1 hereof and Article 6 of the Base Indenture, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Subsidiary Guarantor for the purposes of this Section 3.1.

(h) Each Subsidiary Guarantor also agrees to pay any and all fees, costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 3.1.

(i) Each Subsidiary Guarantor shall promptly execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of the Indenture.

SECTION 3.2 Limitation on Subsidiary Guarantor Liability.

Each Subsidiary Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Subsidiary Guarantee of such Subsidiary Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Subsidiary Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Subsidiary Guarantors hereby irrevocably agree that, any term or provision of the Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Subsidiary Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering the Indenture, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally. Each Subsidiary Guarantor that makes a payment under its Subsidiary Guarantee shall be entitled, upon payment in full of all Guaranteed Obligations under the Indenture, to a contribution from each other Subsidiary Guarantor in an amount equal to such other Subsidiary Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Subsidiary Guarantors at the time of such payment, determined in accordance with GAAP.

SECTION 3.3 Releases.

A Subsidiary Guarantee as to any Subsidiary Guarantor shall be automatically and unconditionally released and discharged, without further action required on the part of the Subsidiary Guarantor, the Trustee or any Holder of Notes, upon:

(a) (i) the sale or other disposition of such Subsidiary Guarantor (including by way of merger or consolidation, the sale of its Capital Stock or the sale of all or substantially all of its assets) to a Person that is not (either before or after giving effect to such transaction) the Company or a Subsidiary, so long as such sale or other disposition does not violate Section 11.01(b) of the Base Indenture; (ii) the release or discharge of the guarantee by such Subsidiary Guarantor of Indebtedness under each Credit Facility to which it is a party, other than

a release or discharge through payment thereon, and such Subsidiary Guarantor is no longer an obligor under any Credit Facility; or (iii) the Company exercising its legal defeasance option or its covenant defeasance option with respect to the Notes under Section 14.02 of the Base Indenture or Section 6.1 or if its obligations under the Indenture with respect to the Notes are discharged in accordance with the terms of the Indenture; and

(b) such Subsidiary Guarantor delivering to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions provided for in the Indenture relating to such transaction have been complied with.

SECTION 3.4 Successors and Assigns.

This Article 3 shall be binding upon each Subsidiary Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in the Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of the Indenture.

SECTION 3.5 No Waiver.

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article 3 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 3 at law, in equity, by statute or otherwise.

SECTION 3.6 Execution and Delivery of Subsidiary Guarantee.

The Company hereby agrees that it shall cause each Person that becomes obligated to provide a Subsidiary Guarantee pursuant to Section 3.9 to execute a supplemental indenture in substantially the form included in Exhibit B hereto, pursuant to which such Person provides the guarantee set forth in this Article 3 and otherwise assumes the obligations and accepts the rights of a Subsidiary Guarantor under the Indenture, in each case with the same effect and to the same extent as if such Person had been named herein as a Subsidiary Guarantor. The Company also hereby agrees to cause each such new Subsidiary Guarantor to evidence its guarantee by endorsing a notation of such Subsidiary Guarantee on each Note as provided in this Section 3.6.

SECTION 3.7 Non-Impairment.

The failure to endorse a Subsidiary Guarantee on any Notes shall not affect or impair the validity thereof.

SECTION 3.8 Benefits Acknowledged.

Each Subsidiary Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by the Indenture and that the Subsidiary Guarantee and waivers made by it pursuant to its Subsidiary Guarantee are knowingly made in contemplation of such benefits.

SECTION 3.9 Guarantees by Domestic Subsidiaries.

After the date of this Second Supplemental Indenture, the Company shall cause each direct and indirect Domestic Subsidiary that (a) incurs or guarantees any Indebtedness under the Credit Agreement, or (b) guarantees other Material Indebtedness, in each case, to become a Subsidiary Guarantor.

ARTICLE 4

ADDITIONAL COVENANTS

In addition to the covenants set forth in Articles 4, 5 and 11 of the Base Indenture, the Notes shall be subject to the additional covenants set forth in this Article 4.

SECTION 4.1 Limitation on Liens.

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, incur or permit to exist any Lien (an “Initial Lien”) of any nature whatsoever on any of its properties or assets (whether owned at the Issue Date or thereafter acquired) securing any Indebtedness for borrowed money, other than Permitted Liens, without effectively providing that the Notes (together with, at the option of the Company, any other Indebtedness for borrowed money of the Company or any of its Restricted Subsidiaries ranking equally in right of payment with the Notes) shall be secured equally and ratably with (or prior to) the obligations so secured for so long as such obligations are so secured.

(b) Notwithstanding Section 4.1(a), the Company and its Restricted Subsidiaries may create, assume, incur or guarantee Indebtedness for borrowed money secured by a Lien without equally and ratably securing the Notes; provided that at the time of such creation, assumption, incurrence or guarantee, after giving effect thereto and to the retirement of any Indebtedness for borrowed money that is being retired substantially concurrently with any such creation, assumption, incurrence or guarantee, the sum of (a) the aggregate amount of all outstanding Indebtedness for borrowed money secured by Liens other than Permitted Liens, (b) the aggregate amount of all outstanding refinancing Indebtedness incurred pursuant to clause (7) of the definition of Permitted Liens in respect of Indebtedness for borrowed money initially incurred pursuant to this sentence and (c) the aggregate amount of all outstanding Indebtedness for borrowed money incurred pursuant to clause (12) of the definition of Permitted Liens, does not at such time exceed 15% of Consolidated Net Tangible Assets.

(c) Any such Lien thereby created in favor of the Notes will be automatically and unconditionally released and discharged upon (i) the release and discharge of each Initial Lien to which it relates, or (ii) any sale, exchange or transfer to any Person not an affiliate of the Company of the property or assets secured by such Initial Lien.

SECTION 4.2 Reports by the Company.

(a) Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Company shall furnish to the holders and the Trustee:

(1) within 90 days after the end of each fiscal year (or if such day is not a business day, on the next succeeding business day), all financial information that would be required to be contained in an annual report on Form 10-K, or any successor or comparable form, filed with the SEC, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and a report on the annual financial statements by the Company’s independent registered public accounting firm;

(2) within 45 days after the end of each of the first three fiscal quarters of each fiscal year (or if such day is not a business day, on the next succeeding business day), all financial information that would be required to be contained in a quarterly report on Form 10-Q, or any successor or comparable form, filed with the SEC, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” and financial statements prepared in accordance with GAAP applicable to interim financial statements; and

(3) within five business days after the occurrence of any of the following events, all current reports that would be required to be filed with the Commission on Form 8-K as in effect on the Issue Date; provided that the foregoing shall not obligate the Company to make available (i) any information regarding the occurrence of any of the following events if the Company determines in its reasonable determination that such event that would otherwise be required to be disclosed is not material to the securityholders or the business, assets, operations, financial positions or prospects of the Company and its Subsidiaries, taken as a whole, (ii) an exhibit or a summary of the terms of, any employment or compensatory arrangement, agreement, plan or understanding between the Company or any of its Subsidiaries and any director, officer or manager of the Company or any of its Subsidiaries, (iii) copies of any agreements, financial statements or other items that would be required to be filed as exhibits to a current report on Form 8-K or (iv) any trade secrets, privileged or confidential information obtained from another Person and competitively sensitive information:

- (a) the entry into or termination of material agreements;
- (b) significant acquisitions or dispositions (which shall only be with respect to acquisitions or dispositions that are significant within the meaning of Item 2.01 of Form 8-K as in effect on the Issue Date);

- (c) bankruptcy;
- (d) the incurrence of a direct material financial obligation;
- (e) cross-default under direct material financial obligations;
- (f) a change in the Company's certifying independent auditor;
- (g) material charge for impairments;
- (h) the appointment or departure of directors or executive officers (with respect to the principal executive officer, president, principal financial officer, principal accounting officer and principal operating officer (or persons fulfilling similar duties) only);
- (i) change in fiscal year;
- (j) non-reliance on previously issued financial statements; and
- (k) change of control transactions,

in each case, in a manner that complies in all material respects with the requirements specified in such form, except as described above or below and subject to exceptions consistent with the presentation of information in the offering memorandum; provided, however, that the Company shall not be required to provide (i) separate financial statements or other information contemplated by Rules 3-05, 3-09, 3-10, 3-16 or 4-08 of Regulation S-X (or any successor provisions) or any schedules required by Regulation S-X, (ii) information required by Regulation G under the Exchange Act or Item 10(e), Item 302, Item 402 or Item 601 of Regulation S-K (or any successor provision), (iii) XBRL exhibits, and (iv) information regarding executive compensation and related party disclosure related to SEC Release Nos. 33-8732A, 34-54302A and IC-27444A. In addition, notwithstanding the foregoing, the Company will not be required to (i) comply with Sections 302, 906 and 404 of the Sarbanes-Oxley Act of 2002, as amended, or (ii) otherwise furnish any information, certificates or reports required by Items 307 or 308 of Regulation S-K (or any successor provision); provided, further, that the foregoing deadlines shall be extended to the extent the Commission provides for any grace periods extensions, exemptions, orders or other forms of relief related to the filing deadlines applicable to a "non-accelerated filer," as defined in Rule 12b-2 of the Exchange Act.

(b) Substantially concurrently with the furnishing or making such information available to the Trustee pursuant to Section 4.2(a), the Company shall also use its commercially reasonable efforts to post copies of such information required by Section 4.2(a) on a website (which may be nonpublic and may be maintained by the Company or a third party) to which access will be given to securityholders, prospective investors in the Notes (which prospective investors shall be limited to "qualified institutional buyers" within the meaning of Rule 144A of

the Securities Act or non-U.S. persons (as defined in Regulation S under the Securities Act) that certify their status as such to the reasonable satisfaction of the Company), and securities analysts and market making financial institutions that are reasonably satisfactory to the Company. The Company may condition the delivery of any such reports to such prospective investors in the Notes and securities analysts and market making financial institutions on the agreement of such Persons to (i) treat all such reports (and the information contained there) and information as confidential, (ii) not use such reports (and the information contained therein) and information for any purpose other than their investment or potential investment in the notes and (iii) not publicly disclose any such reports (and the information contained therein) and information.

(c) To the extent any such information is not so filed or furnished, as applicable, within the time periods specified in this Section 4.2 and such information is subsequently filed or furnished, as applicable, the Company will be deemed to have satisfied its obligations with respect thereto at such time and any Event of Default with respect thereto shall be deemed to have been cured; provided that such cure shall not otherwise affect the rights of the securityholders under Section 5.1 if securityholders of at least 30% in aggregate principal amount of the then Outstanding Notes have declared the principal, premium, if any, interest and any other monetary obligations on all the then-outstanding notes to be due and payable immediately and such declaration shall not have been rescinded or cancelled prior to such cure.

(d) In addition, to the extent not satisfied by the foregoing, the Company shall, for so long as any Notes are Outstanding, furnish to securityholders and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(e) The Company shall use its commercially reasonable efforts, consistent with its judgment as to what is prudent at the time, to participate in quarterly conference calls (which may be a single conference call together with investors and lenders holding other securities or Indebtedness of the Company and/or its Subsidiaries) to discuss the Company's results of operations.

(f) Notwithstanding anything to the contrary in the Indenture, if the Company has filed with the Commission the reports described in this Section 4.2 within the time periods prescribed by the SEC, including any related grace periods, extensions, exemptions or other relief provided for by the SEC, the Company shall be deemed to be in compliance with this Section 4.2.

(g) Delivery of reports, information and documents to the Trustee under this Section 4.2 is for informational purposes only and its receipt of such reports shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants under the Indenture or the Notes (as to which the Trustee is entitled to rely exclusively on Officer's Certificates). The Trustee shall have no responsibility for the filing, timeliness or content of such reports. The Trustee shall not be obligated to monitor or confirm, on a continuing basis or otherwise, our compliance with the covenants or with respect to any reports or other documents filed with the Commission or EDGAR or website under the Indenture, or participate in any conference calls.

DEFAULTS AND REMEDIES

SECTION 5.1 Events of Default.

Section 6.01 of the Base Indenture shall be superseded in its entirety by this Section 5.1 with respect to the Notes.

Each of the following is an “Event of Default” with respect to the Notes:

- (a) a default in the payment of interest on the Notes when due, continued for 30 days;
- (b) a default in the payment of principal of any Notes when due at its Stated Maturity, upon optional redemption, upon required purchase, upon declaration of acceleration or otherwise;
- (c) the failure by the Company to comply with its obligations under Section 11.01 of the Base Indenture;
- (d) the failure by the Company to comply for 30 days after notice (as described below) with any of its obligations under Sections 2.7 (other than a failure to purchase Notes) or under Section 4.1;
- (e) the failure by the Company to comply for 60 days after notice (as described below) with its other agreements contained in the Indenture; provided that in the case of a failure by the Company to comply with any of its obligations in the covenants under Section 4.2, such period shall be 120 days after notice;
- (f) Indebtedness of the Company or any Restricted Subsidiary is not paid within any applicable grace period after final maturity or is accelerated by the holders thereof because of a default and the total amount of such Indebtedness unpaid or accelerated exceeds \$100 million (the “cross acceleration provision”);
- (g) (1) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Company or any Significant Subsidiary in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Company or any Significant Subsidiary or for any substantial part of its property, or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days; or (2) the Company or any Significant Subsidiary shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or similar official) of the Company or such Significant Subsidiary or for any substantial part of its property, or shall make any general assignment for the benefit of creditors (the “bankruptcy default provisions”);

(h) any judgment or decree for the payment of money (net of any amount covered by insurance issued by a reputable and creditworthy insurer that has not contested coverage or reserved rights with respect to an underlying claim) in excess of \$100 million is entered against the Company or any Significant Subsidiary, remains outstanding for a period of 60 consecutive days after such judgment became final and non-appealable and is not paid, discharged, waived or stayed (the “judgment default provision”); or

(i) any Subsidiary Guarantee ceases to be in full force and effect (other than in accordance with the terms of such Subsidiary Guarantee) or any Subsidiary Guarantor denies or disaffirms its obligations under its Subsidiary Guarantee.

In the case one or more Events of Default (other than an Event of Default specified in Section 5.1(g)) shall have occurred and be continuing with respect to the Notes, then, and in each and every such case, unless the principal amount of all the Notes shall have already become due and payable, either the Trustee or the holders of at least 30% in aggregate principal amount of the Notes then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by securityholders), may declare the principal amount of all the Notes (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Original Issue Discount Securities) to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in the Indenture or in the Notes contained to the contrary notwithstanding, or, if an Event of Default described in Section 5.1(g) shall have occurred and be continuing, and in each and every such case, unless the principal of all the Notes shall have already become due and payable, the principal amount of all the Notes then Outstanding hereunder shall automatically, and without any declaration or other action on the part of the Trustee or any securityholder, become immediately due and payable, anything in the Indenture or in the Notes contained to the contrary notwithstanding. Notwithstanding anything to the contrary in this Section 5.1, a default under Sections 5.1(d) or (e) will not constitute an Event of Default until the Trustee or the holders of 30% in aggregate principal amount of the Notes then Outstanding notify the Company of the default and the Company does not cure such default within the time specified after receipt of such notice.

ARTICLE 6

DEFEASANCE AND COVENANT DEFEASANCE

SECTION 6.1 Covenant Defeasance.

Section 14.03 of the Base Indenture is superseded in its entirety by this Section 6.1 with respect to, and solely for the benefit of the holders of, the Notes.

The Company may cause itself to be released from its obligations, and each Subsidiary Guarantor will be discharged from its obligations under the Subsidiary Guarantee, under

Sections 2.7, 3.9, 4.1, 4.2(a), 5.1(f) (the cross acceleration provision), 5.1(g) (solely with respect to the Significant Subsidiaries) (the bankruptcy default provision) and 5.1(h) (the judgment default provision) of the Base Indenture with respect to the Notes on and after the date the conditions precedent set forth below are satisfied but subject to satisfaction of the conditions subsequent set forth below (hereinafter, "covenant defeasance"). For this purpose, such covenant defeasance means that, with respect to the Notes, the Company may omit to comply with and shall have no liability, and each Subsidiary Guarantor shall have no liability with respect to the Subsidiary Guarantee, in respect of any term, condition or limitation set forth in any such Section, whether directly or indirectly by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document, but the remainder of this Second Supplemental Indenture, the Base Indenture and the Notes shall be unaffected thereby.

ARTICLE 7

(a) Form and Dating. Initial Notes offered and sold to QIBs in reliance on Rule 144A under the Securities Act (“Rule 144A”) (“Rule 144A Global Notes”) shall be issued initially in the form of one or more permanent Global Notes in definitive, fully registered form, and Notes offered and sold in reliance on Regulation S under the

Securities Act (“Regulation S”) shall be issued initially in the form of one or more temporary Global Notes in fully registered form (“Temporary Regulation S Global Notes”), in each case, without interest coupons and with the Global Notes legend set forth in Exhibit A and the Transfer Restricted Notes legend set forth in Section 2.2(d) hereof (each security, unless and until becoming an Unrestricted Note, a “Restricted Global Note”), which shall be deposited on behalf of the holders of the Notes represented thereby with the Trustee, as custodian for the Depositary (or with such other custodian as the Depositary may direct), and registered in the name of the Depositary or a nominee of the Depositary, duly executed by the Company and authenticated by the Trustee as hereinafter provided. Additional Notes offered and sold to QIBs in reliance on Rule 144A shall be issued initially in the form of one or more permanent Rule 144A Global Notes, and Additional Notes offered and sold in reliance on Regulation S shall be issued initially in the form of one or more Temporary Regulation S Global Notes or Permanent Regulation S Global Notes, in each case, without interest coupons and with the Global Notes legend set forth in Exhibit A and the Transfer Restricted Notes legend set forth in Section 2.2(d) hereof, which shall be deposited on behalf of the holders of the Notes represented thereby with the Trustee, as custodian for the Depositary (or with such other custodian as the Depositary may direct), and registered in the name of the Depositary or a nominee of the Depositary, duly executed by the Company and authenticated by the Trustee as hereinafter provided.

(b) Book-Entry Provisions. This Section 2.1(b) shall apply only to a Global Note deposited with or on behalf of the Depositary.

The Company shall execute and the Trustee shall, in accordance with this Section 2.1(b), authenticate and deliver initially one or more Global Notes that (a) shall be registered in the name of the Depositary for such Global Note or Global Notes or the nominee of such Depositary and (b) shall be delivered by the Trustee to such Depositary or pursuant to such Depositary’s instructions or held by the Trustee as custodian for the Depositary. Separate Global Notes shall be issued to represent Rule 144A Global Notes and Regulation S Global Notes so long as required by law or the Depositary.

Except as set forth in this Section 2.1(b), beneficial interests in a Temporary Regulation S Global Note will not be exchangeable for interests in a Rule 144A Global Note, a permanent global note (the “Permanent Regulation S Global Note” and, together with the Temporary Regulation S Global Note, the “Regulation S Global Note”) or any other Note prior to the expiration of the period through and including the 40th day after the later of the commencement of the offering of the Initial Note or Additional Note represented by such Temporary Regulation S Global Note and the closing of such offering (such period, the “Restricted Period”) and then, after the expiration of the Restricted Period, may be exchanged for interests in a Rule 144A Global Note or the Permanent Regulation S Global Note only upon certification in form reasonably satisfactory to the Company and the Trustee that beneficial ownership interests in such Temporary Regulation S Global Note are owned either by non-U.S. persons or U.S. persons who purchased such interests in a transaction that did not require registration under the Securities Act.

Prior to the expiration of the Restricted Period, beneficial interests in a Temporary Regulation S Global Note may be exchanged for beneficial interests in the Rule 144A Global Note only if (i) such exchange occurs in connection with a transfer of the Notes pursuant to Rule 144A, (ii) the transferor first delivers to the Trustee a written certificate to the effect that the beneficial interest in the Temporary Regulation S Global Note is being transferred to a Person who the transferor reasonably believes to be a QIB and is purchasing for its own account or the account of a QIB, in each case in a transaction meeting the requirements of Rule 144A, and (iii) the transfer is in accordance with all applicable securities laws of the states of the United States and other jurisdictions. After the expiration of the Restricted Period, such certification requirements shall not apply to such transfers of beneficial interests in a Restricted Global Note representing Regulation S Global Notes.

Beneficial interests in a Rule 144A Global Note that is a Transfer Restricted Note may be transferred to a Person who takes delivery in the form of an interest in the Regulation S Global Note, whether before or after the expiration of the Restricted Period, only if the transferor first delivers to the Trustee a written certificate to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if available) and that, if such transfer occurs prior to the expiration of the Restricted Period, the interest transferred will be held immediately thereafter through Euroclear Bank S.A./N.V., as operator of the Euroclear System, and Clearstream Banking, *société anonyme*, as operator of Clearstream.

The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depositary or its nominee as provided herein and in the Indenture.

(c) Definitive Notes. Except as provided in Section 2.2 or 2.3 hereof, owners of beneficial interests in Restricted Global Notes shall not be entitled to receive Definitive Notes. Definitive Notes shall be exchangeable for beneficial interests in Global Notes only as provided in Section 2.2 hereof.

Section 2.2 Transfer and Exchange

(a) Transfer and Exchange of Global Notes. The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depositary, in accordance with the Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depositary therefor. A transferor of a beneficial interest in a Global Note shall deliver to the Registrar a written order given in accordance with the Depositary's procedures containing information regarding the participant account of the Depositary to be credited with a beneficial interest in the Global Note. The Registrar shall, in accordance with such instructions, instruct the Depositary to credit to the account of the Person specified in such instructions a beneficial interest in the Global Note and to debit the account of the Person making the transfer the beneficial interest in the Global Note being transferred.

(i) Notwithstanding any other provisions of this Appendix, a Global Note may not be transferred as a whole except by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary.

(ii) In the event that a Restricted Global Note is exchanged for Definitive Notes pursuant to Section 2.3, such Notes may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.2 (including the certification requirements set forth on the reverse of the Transfer Restricted Notes intended to ensure that such transfers comply with Rule 144A or Regulation S or another applicable exemption under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Company.

(b) Transfer and Exchange of Definitive Notes. When Definitive Notes are presented to the Registrar with a request (x) to register the transfer of such Definitive Notes or (y) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations, the Registrar shall register the transfer or make the exchange as requested if its requirements for such transaction are met; provided, however, that the Definitive Notes surrendered for transfer or exchange:

(i) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, duly executed by the Holder thereof or its attorney duly authorized in writing; and

(ii) if such Definitive Notes are required to bear a Transfer Restricted Notes legend, they are being transferred or exchanged pursuant to an effective registration statement under the Securities Act, pursuant to Section 2.2(c) hereof or pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Notes are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or

(B) if such Definitive Notes are being transferred to the Company or any Subsidiary of the Company, a certification to that effect; or

(C) if such Definitive Notes are being transferred (x) pursuant to an exemption from registration in accordance with Rule 144A, Regulation S or Rule 144 under the Securities Act; or (y) in reliance upon another exemption from the requirements of the Securities Act: (1) a certification to that effect and (2) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.2(d)(i) hereof.

(c) Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note. A Definitive Note may not be exchanged for a beneficial interest in a Rule 144A Global Note or a Permanent Regulation S Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a

Definitive Note, duly endorsed or accompanied by appropriate instruments of transfer, in form satisfactory to the Trustee, together with:

- (i) certification that such Definitive Note is either (A) being transferred to a QIB in accordance with Rule 144A, or (B) being transferred after expiration of the Restricted Period by a Person who initially purchased such Note in reliance on Regulation S to a buyer who elects to hold its interest in such Note in the form of a beneficial interest in the Permanent Regulation S Global Note; and
- (ii) written instructions directing the Trustee to make, or directing the Custodian to make, an adjustment on its books and records with respect to such Rule 144A Global Note (in the case of a transfer pursuant to clause (c)(i)(A)) or Permanent Regulation S Global Note (in the case of a transfer pursuant to clause (c)(i)(B)) to reflect an increase in the aggregate principal amount of the Notes represented by the Rule 144A Global Note or Permanent Regulation S Global Note, as applicable, such instructions to contain information regarding the Depository account to be credited with such increase,

then the Trustee shall cancel such Definitive Note and cause, or direct the Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Custodian, the aggregate principal amount of Notes represented by the Rule 144A Global Note or Permanent Regulation S Global Note, as applicable, to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Rule 144A Global Note or Permanent Regulation S Global Note, as applicable, equal to the principal amount of the Definitive Note so canceled. If no Rule 144A Global Notes or Permanent Regulation S Global Notes, as applicable, are then outstanding, the Company shall issue and the Trustee shall authenticate, upon receipt of a Company Order, a new Rule 144A Global Note or Permanent Regulation S Global Note, as applicable, in the appropriate principal amount.

(d) Legend.

- (i) Except as permitted by the following subclauses (ii), (iii) and (iv), each Note certificate evidencing the Restricted Global Notes (and all Notes issued in exchange therefor or in substitution thereof) shall bear a legend in substantially the following form:

Each Definitive Note shall also bear the following additional legend:

IN CONNECTION WITH ANY TRANSFER, THE HOLDER WILL DELIVER TO THE REGISTRAR AND TRANSFER AGENT SUCH CERTIFICATES AND OTHER INFORMATION AS SUCH TRANSFER AGENT MAY REASONABLY REQUIRE TO CONFIRM THAT THE TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.

Each Temporary Regulation S Global Note shall also bear the following legend:

THE RIGHTS ATTACHING TO THIS TEMPORARY REGULATION S GLOBAL NOTE, AND THE CONDITIONS AND PROCEDURES GOVERNING (I) THE EXCHANGE OF BENEFICIAL INTERESTS IN THIS TEMPORARY REGULATION S GLOBAL NOTE FOR INTERESTS IN THE PERMANENT REGULATION S GLOBAL NOTE OR RULE 144A GLOBAL NOTE AND (II) THE TRANSFER OF INTERESTS IN THIS TEMPORARY REGULATION S GLOBAL NOTE, ARE AS SPECIFIED IN THE INDENTURE REFERRED TO ON THE REVERSE HEREOF.

(ii) The Company, acting in its discretion, may remove the Transfer Restricted Notes legend set forth in clause (d) (i) above from any Transfer Restricted Note at any time on or after the Resale Restriction Termination Date applicable to such Transfer Restricted Note. Without limiting the generality of the preceding sentence, the Company may effect such removal by issuing and delivering, in exchange for such Transfer Restricted Note, an Unrestricted Note without such legend, registered to the same Holder and in an equal principal amount, and upon receipt by the Trustee of a Company Order stating that the Resale Restriction Termination Date applicable to such Transfer Restricted Note has occurred and requesting the authentication and delivery of an Unrestricted Note in exchange therefor given at least three Business Days in advance of the proposed date of exchange specified therein (which shall be no earlier than such Resale Restriction Termination Date), the Trustee shall authenticate and deliver such Unrestricted Note to the Depository or pursuant to such Depository's instructions or hold such Note as Custodian and shall request the Depository to, or, if the Trustee is custodian of such Transfer Restricted Note, shall itself, surrender such Transfer Restricted Note in exchange for such Unrestricted Note without such legend and thereupon cancel such Transfer Restricted Note so surrendered, all as directed in such order.

For purposes of this Section 2.2(d)(ii), all provisions relating to the removal of the legend set forth in clause (d)(i) above shall relate, if the Resale Restriction Termination Date has occurred only with respect to a portion of the Notes evidenced by a Transfer Restricted Note, to such portion of the Notes so evidenced as to which the Resale Restriction Termination Date has occurred.

Each holder of any Notes evidenced by any Restricted Global Note, by its acceptance thereof, (A) authorizes and consents to, (B) appoints the Company as its agent for the sole purpose of delivering such electronic messages, executing and delivering such instruments and taking such other actions, on such holder's behalf, as the Depository or the Trustee may require to effect, and (C) upon the request of the Company, agrees to deliver such electronic messages, execute and deliver such instruments and take such other actions as the Depository or the Trustee may require, or as shall otherwise be necessary to effect, the removal of the legend set forth in Section 2.2(d)(i) hereof (including by means of the exchange of all or the portion of such Restricted Global Note evidencing such Note for a certificate evidencing such Note that does not bear such legend) at any time after the Resale Restriction Termination Date.

(iii) Upon any sale or transfer of a Transfer Restricted Note pursuant to Rule 144 under the Securities Act, the Registrar shall permit the transferee thereof to exchange such Transfer Restricted Note for a Note that does not bear the legend set forth in clause (d)(i) above and rescind any restriction on the transfer of such Transfer Restricted Note, if the transferor thereof certifies in writing to the Registrar that, and if the Company or the Trustee so request, delivers an opinion of counsel to the effect that, such sale or transfer was made in reliance on Rule 144 (such certification to be in the form set forth on the reverse of the Note).

(e) Restrictions on Transfer of Temporary Regulation S Global Notes. During the Restricted Period, beneficial ownership interests in Temporary Regulation S Global Notes may only be sold, pledged or transferred in accordance with the Applicable Procedures and only (i) to the Company, (ii) in an offshore transaction in accordance with Regulation S (other than a transaction resulting in an exchange for an interest in a Permanent Regulation S Global Note) or (iii) pursuant to an effective registration statement under the Securities Act, in each case, in accordance with any applicable securities laws of any state of the United States.

(f) Cancellation or Adjustment of Global Note. At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, redeemed, purchased or canceled, such Global Note shall be returned to the Company for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, redeemed, purchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Custodian, to reflect such reduction.

(g) No Obligation of the Trustee. The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under the Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depositary participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of the Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.3 Definitive Notes.

(a) A Global Note deposited with the Depositary or with the Trustee as custodian for the Depositary pursuant to Section 2.1 hereof shall be transferred to the beneficial owners thereof in the form of Definitive Notes in an aggregate principal amount equal to the principal amount of such Global Note, in exchange for such Global Note, only in the circumstances described in Section 2.4 of the Second Supplemental Indenture and only if such transfer complies with Section 2.2 hereof.

The Company shall pay interest on such principal amount at the rate of 4.625% per annum, until payment of such principal amount has been made or duly provided for, semi-annually in arrears on May 15 and November 15 of each year (each, an “Interest Payment Date”). Interest shall be payable on each Interest Payment Date, commencing on November 15, 2021, and at the stated maturity or earlier redemption or repayment (the “Maturity Date”). If the Company shall default in the payment of interest due on any Interest Payment Date, then this Note shall bear interest from the next preceding Interest Payment Date to which interest has been paid, or, if no interest has been paid on this Note, from August 18, 2021 (the “Original Issue Date”).

Interest on this Note shall accrue from the Original Issue Date until the principal amount is paid or duly provided for. If the Maturity Date or any Interest Payment Date falls on a day which is not a Business Day (as defined below), principal of or interest payable with respect to the Maturity Date or such Interest Payment Date shall be paid on the succeeding Business Day, and no additional interest shall accrue as a result of that postponement. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date shall be paid to the person in whose name this Note (or one or more predecessor Notes evidencing all or a portion of the same debt as this Note) is registered at the close of business on the regular record date for such Interest Payment Date, whether or not a Business Day. The regular record date shall be the close of business on May 1 and November 1 preceding an Interest Payment Date. “Business Day” means any weekday that is not a legal holiday in New York, New York or Wilmington, Delaware and that is not a day on which banking institutions in those cities are authorized or required by law or regulation to be closed.

However, interest may be paid, at the option of the Company, by check mailed to the person entitled thereto at his address last appearing on the registry books of the Company relating to the Notes. Notwithstanding the preceding sentence, payments of principal of and interest payable on the Maturity Date shall be made by wire transfer of immediately available funds to a designated account maintained in the United States upon (i) receipt of written notice by the Paying Agent (as described on the reverse hereof) from the registered holder hereof not less than one Business Day prior to the due date of such principal and (ii) presentation of this Note to the Paying Agent, at U.S. Bank National Association, Corporate Trust Services, 333 Thornall Street, 4th Floor, Edison, New Jersey 08837. Any interest not punctually paid or duly provided for shall be payable as provided in such Indenture.

References herein to "U.S. dollars," "U.S.\$," or "\$" are to the coin or currency of the United States as at the time of payment is legal tender for the payment of public and private debts.

Reference is made to the further provisions of this Note set forth on the reverse hereof, which shall have the same effect as though fully set forth at this place.

Unless the certificate of authentication hereon has been executed by the Trustee (as described on the reverse hereof) or by an authenticating agent on behalf of the Trustee by manual signature, this Note shall not be entitled to any benefit under such Indenture or be valid or obligatory for any purpose.

**THE CHEMOURS COMPANY ANNOUNCES EARLY TENDER RESULTS OF
CONDITIONAL CASH TENDER OFFER AND CONSENT SOLICITATION FOR ANY
AND ALL OF ITS 7.000% SENIOR NOTES MATURING IN 2025 AND RECEIPT OF
REQUISITE CONSENTS**

WILMINGTON, Del., August 17, 2021/PRNewswire/ – The Chemours Company (“**Chemours**”) (NYSE: CC), a global chemistry company with leading market positions in Titanium Technologies, Thermal & Specialized Solutions, Advanced Performance Materials, and Chemical Solutions, today announced the early tender results as of 5:00 p.m., New York City time, on August 17, 2021 (the “**Early Tender Deadline**”) of its previously announced tender offer (the “**Tender Offer**”) to purchase for cash any and all of its outstanding 7.000% senior notes due 2025 (the “**Notes**”).

In connection with the Tender Offer, Chemours also announced the results as of the Early Tender Deadline of its previously announced solicitation of consents (the “**Consents**”) from holders of the Notes (the “**Consent Solicitation**”) to the proposed amendments to the indenture, dated as of May 12, 2015 (the “**Base Indenture**”), as supplemented by the second supplemental indenture (the “**Second Supplemental Indenture**”), dated May 12, 2015, which governs the Notes (the Second Supplemental Indenture, together with the Base Indenture, the “**Indenture**”), providing for the shortening of the minimum notice periods under the Indenture for the optional redemption of the Notes by Chemours (the “**Proposed Amendments**”).

The terms and conditions of the Tender Offer and Consent Solicitation are described in an Offer to Purchase and Consent Solicitation Statement, dated August 4, 2021 (the “**Offer to Purchase and Consent Solicitation Statement**”).

The aggregate principal amount of Notes validly tendered and not validly withdrawn at or prior to the Early Tender Deadline (the “**Early Tender Notes**”), as well as the percent of the aggregate principal amount of Notes outstanding constituting Early Tender Notes, is set forth in the columns entitled “Aggregate Principal Amount of Early Tender Notes” and “Percent of Outstanding Principal Amount Tendered,” respectively, in the table below. The consideration being offered for any such Early Tender Notes accepted for purchase in the Tender Offer and Consent Solicitation is also set forth in the table below:

<u>CUSIP / ISIN</u>	<u>Outstanding Principal Amount</u>	<u>Title of Notes</u>	<u>Aggregate Principal Amount of Early Tender Notes</u>	<u>Percent of Outstanding Principal Amount Tendered</u>	<u>Early Tender Payment(1)(2)</u>	<u>Tender Offer Consideration(1)(3)</u>	<u>Total Consideration (1)(3)</u>
Registered Notes: CUSIP: 163851AD0 ISIN: US163851AD01	\$750,000,000	7.000% Senior Notes due May 15, 2025	\$462,076,000	61.61%	\$ 30.00	\$ 995.00	\$ 1,025.00

(1) Per \$1,000 principal amount of Early Tender Notes accepted for purchase.

- (2) Included in the Total Consideration for Early Tender Notes accepted for purchase.
- (3) Does not include accrued and unpaid interest that will be paid on the Early Tender Notes accepted for purchase.

The Tender Offer and Consent Solicitation will expire at Midnight, New York City time, at the end of August 31, 2021, unless extended or earlier terminated by Chemours (the “**Expiration Date**”). No tenders submitted after the Expiration Date will be valid. Subject to the terms and conditions of the Tender Offer and Consent Solicitation, holders of the Early Tender Notes will receive the Total Consideration set forth in the table above, which includes the Early Tender Payment set forth in the table above. Holders of Notes tendering their Notes after the Early Tender Deadline and prior to the Expiration Date will only be eligible to receive the Tender Offer Consideration set forth in the table above, which is the Total Consideration less the Early Tender Payment.

The Early Settlement Date (as defined in the Offer to Purchase and Consent Solicitation Statement) for the Early Tender Notes is expected to be on August 18, 2021. Any Notes validly tendered and related consents validly delivered after the Early Tender Deadline may not be withdrawn or revoked, except as required by law. Subject to the satisfaction or waiver of the conditions of the Tender Offer and Consent Solicitation, Chemours expects to accept for purchase any remaining Notes that have been validly tendered and not validly withdrawn after the Early Tender Deadline and at or prior to the Expiration Date promptly following the Expiration Date on the Final Settlement Date (as defined in the Offer to Purchase and Consent Solicitation Statement), which is expected to occur two business days following the Expiration Date, or as promptly as practicable thereafter.

In addition, holders of all Notes validly tendered and accepted for purchase pursuant to the Tender Offer and Consent Solicitation will receive accrued and unpaid interest on such Notes from the last interest payment date with respect to such Notes to, but not including, the Early Settlement Date or the Final Settlement Date, as applicable.

Chemours’ obligations to accept Notes and Consents on the Early Settlement Date or the Final Settlement Date, as applicable, are subject to, and conditioned upon, the satisfaction or waiver of certain conditions described in the Offer to Purchase and Consent Solicitation Statement, including, among others, Chemours consummating the New Debt Financing (as defined in the Offer to Purchase and Consent Solicitation Statement) on terms satisfactory to it, and having funds available therefrom that will allow it to purchase the Notes pursuant to the Tender Offer and Consent Solicitation.

In addition, because Chemours received Consents in respect of a majority of the aggregate principal amount of the Notes then outstanding (excluding Notes held by Chemours or its affiliates) (the “**Requisite Consents**”) as of the Early Tender Deadline, Chemours expects to execute and deliver a supplemental indenture to the Indenture giving effect to the Proposed Amendments promptly after accepting for purchase the Early Tender Notes on the Early Settlement Date. The Proposed Amendments are expected to become operative on the Early Settlement Date, after which Chemours intends to issue a notice of redemption to redeem all of the Notes not purchased pursuant to the Tender Offer and Consent Solicitation on the Early Settlement Date.

This press release does not constitute an offer to sell, or a solicitation of an offer to buy, any security. No offer, solicitation, or sale will be made in any jurisdiction in which such an offer, solicitation, or sale would be unlawful. This press release shall not constitute a notice of redemption under the Indenture or an obligation to issue a notice of redemption.

Citigroup Global Markets Inc. is the dealer manager and solicitation agent (the “Dealer Manager”) in the Tender Offer and Consent Solicitation. Forward Looking Statements

This press release contains forward-looking statements, within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995, which involve risks and uncertainties. Forward-looking statements provide current expectations of future events based on certain assumptions and include any statement that does not directly relate to a historical or current fact. The words “believe,” “expect,” “will,” “anticipate,” “plan,” “estimate,” “target,” “project” and similar expressions, among others, generally identify “forward-looking statements,” which speak only as of the date such statements were made. These forward-looking statements may address, among other things,

the outcome or resolution of any pending or future environmental liabilities, the commencement, outcome or resolution of any regulatory inquiry, investigation or proceeding, the initiation, outcome or settlement of any litigation, changes in environmental regulations in the U.S. or other jurisdictions that affect demand for or adoption of our products, anticipated future operating and financial performance for our segments individually and our company as a whole, business plans, prospects, targets, goals and commitments, capital investments and projects and target capital expenditures, plans for dividends or share repurchases, sufficiency or longevity of intellectual property protection, cost reductions or savings targets, plans to increase profitability and growth, our ability to make acquisitions, integrate acquired businesses or assets into our operations, achieve anticipated synergies or cost savings, the terms and timing for completion of the Tender Offer and Consent Solicitation, including the acceptance for purchase of any Notes validly tendered and any related Consents validly delivered, the expected Early Tender Deadline, Expiration Date and Settlement Dates thereof, and the satisfaction or waiver of certain conditions of the Tender Offer and Consent Solicitation and statements regarding the terms or timing of the New Debt Financing and the redemption of the Notes, all of which are subject to substantial risks and uncertainties that could cause actual results to differ materially from those expressed or implied by such statements. Forward-looking statements are based on certain assumptions and expectations of future events that may not be accurate or realized. These statements are not guarantees of future performance. Forward-looking statements also involve risks and uncertainties that are beyond Chemours' control. Factors that may cause actual results to vary include, but are not limited to, conditions in financial markets and investor response to Chemours' Tender Offer and Consent Solicitation and inadequate investor response on adequate terms to the New Debt Financing intended to satisfy the condition to the Tender Offer and Consent Solicitation. In addition, the current COVID-19 pandemic has significantly impacted the national and global economy and commodity and financial markets, which has had and we expect will continue to have a negative impact on our financial results. The full extent and impact of the pandemic is unknown and to date has included extreme volatility in financial and commodity markets, a significant slowdown in economic activity, and increased predictions of a global recession. The public and private sector response has led to significant restrictions on travel, temporary business closures, quarantines, stock market volatility, and a general reduction in consumer and commercial activity globally. Matters outside our control have affected our business and operations and may continue to limit travel of employees to our business units domestically and internationally, adversely affect the health and welfare of our personnel, significantly reduce the demand for our products, hinder our ability to provide goods and services to customers, cause disruptions in our supply chains, adversely affect our business partners or cause other unpredictable events. Additionally, there may be other risks and uncertainties that Chemours is unable to identify at this time or that Chemours does not currently expect to have a material impact on its business. Factors that could cause or contribute to these differences include, but are not limited to the risks, uncertainties and other factors discussed in our filings with the U.S. Securities and Exchange Commission, including in our Quarterly Reports on Form 10-Q for the quarters ended March 31, 2021 and June 30, 2021 and our Annual Report on Form 10-K for the year ended December 31, 2020. Chemours assumes no obligation to revise or update any forward-looking statement for any reason, except as required by law.
