Explanation of Responses:

- Price reported is a weighted average. Shares were sold in multiple transactions at prices ranging from \$39.92 to \$39.71.
- Includes directly owned shares, unvested restricted stock units and dividend equivalent units.
- This transaction involved a gift of securities by the reporting person to one of his children. The reporting person disclaims beneficial ownership of the shares held by his children, and this report should not be deemed an admission that the reporting person is the beneficial owner of his children's shares for purposes of Section 16 or for any other purpose.
